SWISS-GROUP AWARDED BY THE NGO MASRRAT

First, here is some good news: at the end of our trip last March, the Swiss-Group Association was rewarded by the NGO MASRRAT, which works in Gaziantep and northern Syria.

We would like to share this award with you for your participation making this possible.

Thank you again.

PHOTO EXHIBITION

A photo exhibition took place on Saturday, March 4, 2022, at the Ferme Sarasin in Grand-Saconnex. We would like to thank the authorities of the city of Grand-Saconnex for their support.

This exhibition was a great success, and we were able to collect many donations. Thanks to all of you.

TRIP TO GAZIANTEP – FROM 4 TO 12 MARCH 2022

Four members of Swiss-Group went to Gaziantep at the end of March to follow our actions on site and visit the orphans:

- ✓ Mrs Carole Ammane-Studer (President of the Swiss-Group Association)
- ✓ A student in psychology, 4th year, University
- ✓ An emergency physician and surgeon
- ✓ An interpreter Arabic / French

Several decisions have been taken on the ground:

- Academic, psychological and medical support
- Hiring a full-time nurse, who oversees visiting our orphans and widows in northern Syria and Gaziantep
- We also visited our school for our orphans (see photo below).
- We agreed to sponsor 5 new orphans and a family of 8 children.

We need sponsors urgently!

1. Mahmoud ,12 yo, Orphan No. 3374
2. Haneen, 4 yo , Orphan No. 3375
3. Farah Mouhamad, 10 yo, Orphan No. 3376
4. Mohamed Hamad, 9 yo, Orphan No. 3377
5. Abdul Salam ,11 yo, Orphan No. 3378
6. Alkatib family with 8 children, No. 3288

The report of our mission is being written and we will send you news of your protégés soon.

Our school in Gaziantep

RAMADAN

Thanks to you:

- More than 10,000 meals were distributed in the region of Idlib (Syria) and Gaziantep (bread, dates, chicken, rice, meat, egg, etc...)
- We will be distributing to the families / orphans' envelopes of money for Eid.

OUR "WINTER EMERGENCY" CALL 2021-2022

At the end of 2021, as well as January 2022, we asked you to help the displaced populations living in precarious conditions. Already weakened by the difficult conditions, Covid-19, the lack of food, they had to face the cold.
More than 80 tons of coal have been distributed in southern Turkey as well as in the Idlib region.
