THANKS

Dear donors,

We thank you once again for your generosity. Thanks to your donations, we were able to distribute 15,400 crates of bread to 2,250 displaced families, who are currently living in camps in the Maaret Tamisrin sub-district in the Idlib region of Syria.

Even if it is still too little, this bread helped improve the extremely difficult living conditions of the refugees for a few days.

“It was merely a bit of bread
But it had warmed my body through
And in my soul, it burns on still
In the way a great feast would do. ”

Georges Brassens - Song for the man from the Auvergne

Once again, thank you for your support and loyalty

Truly,
