## End of 2017 Actions

- Rime underwent her second reconstructive surgery eyes, cheek, ears.
- The next surgery sponsored by Swiss-Group will take place the first week of January.
- We are trying to enrol Rime into a public school. Thanks to your donations, we paid a private teacher to follow the school curriculum.
- Rime is taking selfies like any teenager!
- We will be doing new fundraising in the coming months for the reconstruction of her hands.

Rime and his family thank you all for your generosity.

# Rime

- Swiss-Group paid 1,300 CHF for the purchase of dental care equipment as part of a mission in the refugee camps in Greece.
- More than 200 patients received dental care, thanks to the collaboration of two volunteer European dentists.
- Distribution of toothbrushes and toothpastes.

## Greece Actions

- We raised more than 5,000 CHF for the "Winter".action
- Purchase and distribution of charcoal, wood and blankets to families in need.
- Purchase and installation of heating stoves

Thank you ...

# Winter Action

- We will continue our actions. Thanks to your generosity, we have already helped more than 500 families, by distributing tons of food, bread, blankets, charcoal, by funding medical care and by finding sponsors...
  - In 2018 we will be collecting donations for Rime's hands' surgery.
  - We are planning to travel to Greece in March in overcrowded and unhealthy camps.
  - We sincerely thank the sponsors who have supported us for over a year. Thanks to them we can offer a little dignity to more than 30 orphans.
- 
- **We still have 5 orphans looking for sponsors.**
